**Letter of Appreciation for Contribution Towards Chandrayaan-3
and Aditya-L1 Mission**

Dear sir/ma'am

It gives me immense pleasure to highlight the greatest feat ISRO has achieved this year with the **successful soft landing of Chandrayaan-3 and launch of Aditya-L1 missions**. These triumphs have brought our country at the forefront of space sector.

As a **valuable industry partner**, you have tirelessly worked towards these projects and significantly contributed in the realization of hardware and interface systems, supply of materials & services and testing of systems as per the schedule.

I sincerely thank you for your tremendous contributions that supported us in realizing our dreams. I wish this success builds a stronger collaboration for our future endeavours.

Yours sincerely,

[M Sankaran]
